INJURY COLLISION

Yuma, AZ –

On Saturday, October 24, 2026, at approximately 8:28 a.m., Yuma Police officers responded to the 1800 block of S. 4th Avenue in reference to a three vehicle injury collision.

The initial investigation showed that a Honda Accord, driven by a 19 year old male, was traveling northbound on 4th Avenue when it collided with the rear of a Chevy Silverado, driven by a 35 year old male. The Honda then struck a curb, rolled onto its side and slid into a GMC Terrain, driven by a 30 year old male, that was waiting to exit the Chevron parking lot.

The driver of the Honda was extricated from the vehicle, transported to Onvida Health, and subsequently flown to a Phoenix area hospital with non-life threatening injuries.

The driver of the Terrain and his 30 year old female passenger were also transported to Onvida Health where they were treated and released. There was also a 1year old passenger in the Terrain that was not injured. There were no other reported injuries.

Speed and intoxication appear to be a contributing factors in this collision involving the driver of the Honda.

This is still an ongoing investigation.
